

Health service complaint form

If you re not satisfied with a service provided by a health service provider, or you re concerned with the health, conduct or performance of a registered or unregistered health practitioner, it is your right to make a complaint.

Before making a complaint, try talking with your health service provider—this is often the quickest and easiest way to address your concerns or fix a problem. You may also wish to put your concerns in writing by sending your health service provider an email or letter. For advice on talking with or writing to your provider, visit_www.oho.qld.gov.au.

If you re not satisfied with the response or feel uncomfortable talking with the provider directly, lodge a complaint with us.
